

# COVID-19 Update

Grant Colfax, MD  
Deputy Director of Health

January 17, 2023

SAN FRANCISCO DEPARTMENT OF PUBLIC HEALTH

# SF COVID cases per 100,000 residents

# Hospitalizations

Hospitalizations: 91 individuals on 1/12/23, includes 15 in ICU

# Vaccine & Booster Administration

San Franciscan residents' COVID-19 vaccine status by age group

Age Group	Resident Population	Completed Series	% of Population Completed Series	First Booster Recipients	% of Population First Boosted	Second Booster Recipients	% of Population Second Boosted	Bivalent Boosted Recipients	% of Population Bivalent Boosted
0-4	39,650	9,510	24%	0	0%	0	0%	711	2%
5-11	44,006	34,623	79%	14,227	32%	0	0%	8,767	20%
12-17	33,938	36,805	>99%	22,934	68%	487	1%	10,004	29%
18-64	622,166	540,242	87%	409,482	66%	75,345	12%	210,274	34%
65-74	74,120	76,859	>99%	68,587	93%	42,466	57%	45,430	61%
75+	60,907	53,328	88%	48,534	80%	32,794	54%	34,187	56%
<b>Total</b>	<b>874,787</b>	<b>751,367</b>	<b>86%</b>	<b>563,764</b>	<b>64%</b>	<b>151,092</b>	<b>17%</b>	<b>309,373</b>	<b>35%</b>

# Summary

- DPH continues to focus efforts and messaging on improving COVID vaccination/booster rates. This is the best way for individuals to continue to protect themselves from the health impacts of COVID.
- RSV and flu continue to decline in San Francisco and CA overall. COVID hospitalizations have been lower than previous winters.
- It's not too late to protect yourself and others this winter:
  - Get your bivalent COVID booster if you haven't yet
  - Get your flu shot ([sf.gov/flu-vaccines](https://sf.gov/flu-vaccines))
  - Protect others—stay home when you're feeling sick
  - Practice good hygiene: wash hands, cover coughs and sneezes, and avoid touching your eyes, nose and mouth (flu can spread on surfaces or on your skin)
  - Know how to reach a doctor. If you're not feeling well, they can discuss your symptoms and treatment options.
  - Keep a well-fitted mask on hand for crowded, indoor spaces (N95, KN95 or KF944 are best)
  - Keep a supply of rapid test kits on hand. You can once again receive free test kits through the US mail by visiting [www.covid.gov/tests](https://www.covid.gov/tests)
  - If possible, increase air ventilation or air filtration when indoors or gather outdoors.
- DPH is reviewing current COVID-19 policies and health orders and will begin to remove many of these as COVID prevention and control are further integrated into standard DPH work and in preparation for the end of the CA State of Emergency on February 28, 2023.
